TFO Introduces the Tactical Elite Bass Rods

The Tactical Elite Bass series is our premier level fishing tool for tournament anglers.

Tactical Elite Bass rods optimize technique specific actions with performance maximizing componentry. When success equates to earning a paycheck, Tactical Elite Bass series rods do not compromise on any aspect of design, engineering or manufacturing in order to guarantee anglers performance, consistency and durability.

The foundation of the Tactical Elite Bass series are technique specific fast action blanks constructed with intermediate modulus carbon fiber. The blanks are gun metal grey with Pac Bay Titanium SV guides. The series includes 17 models: 13 casting in 6’10”-7’10” lengths in medium-lights to extra-heavy powers; and 4 spinning in 6’10”-7’3” lengths in medium-light to medium-heavy powers. Componentry includes down-locking graphite feel-through skeletal reel seats for maximum sensitivity with black anodized hoods. All rods include a custom Winn® split grip. Every Tactical Elite Bass rod is designed and manufactured to deliver uncompromising performance and proven durability, then we add the assurance of TFO’s no-fault lifetime warranty.

Tactical Bass rods retail for $199.95.
